## Facilities Created During the Last Quarter (ending December 31, 2025)

### Compliance: NCTE Regulation 2014, Clause 7(14)(i)(g)

In alignment with our commitment to academic excellence and institutional growth, **Swami Vivekanand B.Ed. College, Sagwara, Rajasthan**, has successfully implemented several infrastructural and pedagogical upgrades during the most recent quarter. These developments are designed to foster a technologically advanced and holistic learning environment.

The following facilities have been established or enhanced:

#### 1. Academic & Laboratory Infrastructure

- **Enhanced Surveillance:** The campus is now fully integrated with a high-definition CCTV network to ensure a secure and monitored environment for students and staff.
- **Science Lab Modernization:** Upgraded the Science Department laboratories with advanced apparatus and optimized seating arrangements to facilitate hands-on practical learning.

#### 2. Library & Knowledge Resources

- **Collection Expansion:** Procurement of the latest editions of textbooks, reference volumes, and peer-reviewed journals aligned with the updated curriculum.
- **Digital Library Integration:** Strengthened the digital wing by providing high-speed access to prestigious e-resources and online research databases.

#### 3. ICT & Digital Connectivity

- **High-Speed Connectivity:** Overhauled the campus-wide internet infrastructure to provide seamless, high-speed connectivity.
- **Hardware Upgrades:** Modernized the computer center with latest-generation systems to support digital literacy and administrative efficiency.

#### 4. Student Support & Welfare Services

- **Common Area Improvements:** Comprehensive renovation of the student common room and the dedicated counseling cell to improve student comfort and mental well-being.
- **Health & Hygiene:** Enhanced the campus sanitation infrastructure, including the installation of advanced water purification systems and upgraded sanitary units.

#### 5. Physical Infrastructure & Sustainability

- **Administrative Efficiency:** Renovated staff rooms and administrative offices to streamline record management and operational workflow.

- **Green Initiatives:** Development of the '**Vanaspati Vatica**' (Botanical Garden) to promote biodiversity.
- Installation of a **Clean Electricity Solar Plant**, transitioning the institute toward sustainable energy.
- **Campus Aesthetics:** Extensive landscaping and beautification projects to create a serene and conducive atmosphere for study.

These initiatives reflect our ongoing dedication to providing a best educational experience. This report is issued with the approval of the College Management and the undersigned.
